H.R. 1 State by State

While analyzing 1,144 pieces of legislation for VISAGE we discovered something curious: pieces of legislation that seemed like H.R.1 introduced in almost every state.

At least 563 bills* contain legislation with aspects of H.R. 1.
Texas leads the way with 91 items and New York follows with 71 items.

We believe that sunlight is the best disinfectant.

Now that you have this information, you can find the contact information for your state representatives and senators at the links above to let them know your thoughts on the bills.

To help us tackle the sheer scale of this work, we need additional volunteers to assist us in reviewing the various bills before congress.

You can assist us with this project by signing up at <https://lookaheadamerica.org/volunteer/>

Or you can donate to assist us with this effort at <https://lookaheadamerica.org/donate>
