LAA Announces Thirteen Additional #JusticeforJ6 Rallies at State Capitols Across the US

Washington DC – Today, Look Ahead America announced thirteen additional #JusticeforJ6 Rallies at state capitols across the country in addition to the rally at the US Capitol on September 18 at noon.

LAA Executive Director Matt Braynard made the following statement:

The purpose of these peaceful protests is for patriotic Americans to educate their state legislators on the power they have to give instructions to their state's federal legislators. We have composed a draft resolution a state legislature can pass to inform US Senators and Representative to oppose the tyrannical and inhumane treatment of the January 6 political prisoners who have been targeted by the Department of Justice and the FBI.
