## LAA RECORD THIRTY-FIVE JUSTICE FOR J6 VIGILS

Washington, DC – Today, Look Ahead America released the final list of this evenings vigils, thirty-five total all across the country.

Look Ahead America Executive Director Matt Braynard made the following statement:

We are very proud of all of our volunteers across the country who have taken the initiative to setup these vigils. We will continue to build public pressure on our government over the injustices suffered by the hundreds of our patriotic brothers and sisters at the hands of the Biden Regime and their media allies. The political persecution of these individuals not for what they did but for their sincere political beliefs must end.
